History:

Date: February 19, 2022
Location: 9400 block of Dyer
Victim: 14 year old male

EL PASO, Texas — Northeast Regional command officers responded to a stabbing call at the Peter Piper Pizza parking lot. The juvenile victim had an argument with someone inside the restaurant. When he walked outside he was approached by several males in a car. The male offenders got out of the car and assaulted the victim by punching, kicking and stabbing him. As the offenders were driving away they fired a shotgun round causing several people in the parking lot to run back into the restaurant. No injuries resulted from the discharge of that round. The victim was transported to an area hospital for treatment of serious injuries. The El Paso Police Department Gang unit is investigating this case.
